## Rcat FIXED ROUTE is WAVE AND RIDE

Fixed Route drivers will pick up riders anywhere along the route.

Riders **must** be waiting at the curb ready to board the bus when it stops.

The riders **must** wave or raise a hand, to signal the driver.

The bus will then pull to a safe place (usually in the middle of the block) to pick up the rider.

Have your fare or ticket ready to drop in the farebox as you board.

Drivers will do their best to help you get as close as possible to your destination.

As the bus nears your stop you may pull the cord above the window.

This signals the driver to stop.

**Never cross in front of the bus.**

## TRANSFERS

The Fixed routes connect so passengers may transfer to other routes to complete their trip at no additional charge. Transfers are made at Rcat Transfer Station(120 West Ave B) or the Walmart Transfer Point. To board another bus, ask the Driver for a Transfer Ticket. Please call 620-694-2913 with questions.

## TIPS FOR A SUCCESSFUL TRIP

- ◆ Check the map for routes and to see if you will need to transfer to another bus to complete your trip. Drivers can help you with transfers.
- ◆ For fixed routes, allow up to one hour to reach your destination.
- ◆ Allow time for picking up/dropping off other passengers.
- ◆ Be prepared for delays due to traffic, trains or bad weather.
- ◆ Always be at the curb early. It is better to wait a few minutes than miss your ride.
- ◆ For Paratransit and Demand Response trips, the Rcat vehicle will wait five (5) minutes at the scheduled pick up spot, then will move on.
- ◆ Fixed Route riders may only have as many packages as they can reasonably carry on and off the bus in one trip.  
(No hazardous materials or weapons)
- ◆ Fixed Route drivers are not allowed to help load or unload packages.
- ◆ Fixed Route riders are responsible for safely managing packages while on the bus.
- ◆ On **all** Rcat vehicles, the combined weight of packages is limited to #50 per rider.
- ◆ Bike racks are available on Fixed Route buses.

Rcat goes to any address in Reno County with a passable driveway
