EIGHT POSITIVE CASES OF COVID-19 IN RENO COUNTY

As of 5:30 p.m., Reno County now has eight positive cases of COVID-19. The newest positive case is a female, in her 60's and is currently in home quarantine. We cannot currently release any further information as case contact investigation is underway.

We continue to highly encourage Reno County residents to be dependent on health authorities to provide the most accurate information on COVID-19.

Please practice good hygiene with frequent hand washing, proper respiratory etiquette such as coughing and sneezing into your elbow bend, limit handshakes and physical contact. Stay home if you are feeling ill and call your primary care physician to discuss your symptoms.
