Reno County, Kansas – February 23, 2021 –

The Reno County Health Department has scheduled a vaccine clinic for Friday, February 26 at the Hutchinson Sports Arena from 9 a.m. to 4 p.m. This clinic will be second doses only for those who received their first dose on January 29. Appointments were made the day of the first clinic for the same time as the original dose. Please remember to bring your vaccination card if attending.

There will be first round doses available next week on Tuesday, March 2 at the sports arena from 9 a.m. to 4 p.m. for those ages 65 and over. Vaccine was delayed last week because of the weather, but the Health Department hopes to continue weekly clinics for first and second doses starting in March.

If you have already pre-registered for the vaccine, there is no need to register again. You will still be in the system for future clinics. Please note the vaccination site will NOT be accepting walk-ins.
